Hi Amy,

That sounds good, but I don't want to add stress to anyone's life by expediting this. We can certainly wait until January if you need or want more time. I will leave it up to you. Just let us know what you prefer. If you do want to meet the week of the 7th, Kim or I can try to find a time when most of us are available.

Have a good Friday,
Jenny

We could make something work prior to Dec 21. We can have a draft summary of our results to share as well. How about shooting for the week 7th? I'm am out on Dec 11-16.

Hi Kim and Amy,

I am receiving questions from ORD asking when Ohio would like to meet with us to discuss the CWS PFAS sampling data by DuPont's Washington Works Facility. Is it possible to have the meeting before December 21? The reason I ask is many of us will be out of the office on use or lose annual leave for the last two weeks of December. Do you have a general idea what week this meeting would be?

Thank you,
Jenny
